

CORPORATE QUALITY POLICY

Our objective is to be the market leader in all business domains as a general construction contractor covering all relevant disciplines, including all support functions such as Shop Fabrication, Heavy Equipment Supply, Ready mix concrete Supply, relevant Technical Services and the supply of Specialist Manpower.

We are committed to provide highest quality service to our clients, by meeting their expectations through active employee involvement.

Our aim is to provide most efficient and accurate services to the total satisfaction of our clients by:

- Effective Planning & Monitoring the progress of each project/job and controlling the execution by adopting and implementing the latest project management practices.
- Enhancing the skill levels of employees by providing regular training, in all aspects of Quality, Safety, Health & Environmental care, Technical knowhow and reliability at the core aspects of our business and strive for continual improvement.
- Establishing a framework for fast & easy adaptation to changing industry trends & requirements.
- Enforcing that Quality & Safety is the responsibility of every employee and every functional unit.
- Ensuring meaningful and widespread employee involvement, teamwork, and personal satisfaction that result in pride of workmanship.
- Implementing the ISO 9001:2008 Quality Management System and continually improving its effectiveness.
